

# Ike (Madzu) Whitish Memorial Scholarship

## Philosophy

To encourage Shoalwater Bay tribal members to pursue education in health care related fields.

## Scholarship

Full funding of tuition and books is available for all eligible Shoalwater Bay members seeking higher education. In order to create a true incentive for students to pursue Health Care related fields, this scholarship funds student needs above and beyond tuition and books (living / additional expenses).

A total annual award of \$5,000 with a maximum award of \$2,500 to any individual student.

## Requirements

Students will be required to be a current, or former, SBIT higher education scholarship recipient.

## Application

Students who believe they are eligible to receive the Ike (Madzu) Whitish Memorial Scholarship should have been in college at least 2 years and submit to the Education Department:

- 1) A one page essay explaining why you should be selected to receive the scholarship.
- 2) Proof of enrollment in a Health Care related field of study.
